

CELEBRATION 2010 MEDAL Winners

Hello Bengals / Dukes' family and friends: As you all may be aware, in the lead up to and spirit of the 2010 Winter Olympics, our Ottawa area MMPs have decided to recognize and honour our local "unsung" sports heroes who have made a big difference in the lives of athletes and our Orleans community.

We are honoured to share this amazing news that out of 25 recipients, three of our Bengal/Duke family members, **Dennis Prouse**, **Tammy Youssef** and **Katherine Borsato** are winners of the CELEBRATION 2010 medal.

At an Award Ceremony on Thursday, January 28th **Dennis**, **Tammy** and **Katherine** were presented their **CELEBRATION 2010 medals** in which I had the privilege of attending. We are truly blessed to have incredible people such as Dennis, Tammy and Katherine working with the Bengals/Dukes Club as it's a true testament to the type of volunteers within our club and what we bring to the our community. Thank you Dennis, Tammy and Katherine for all that you have done for our club as most would agree without dedicated people like you most dreams would not be possible.

So please join me in congratulating **Dennis**, **Tammy** and **Katherine**, in this well deserved award! Congratulation to each of you and we look forward to working with you as we continue to make a difference in our community.

We also like to give thanks to our MMP, Phil McNeely for his commitment in recognizing and honouring our many tireless sports volunteers and the immeasurable work that they do. So again Congrats Dennis, Tammy and Katherine, see you all soon as we approach an exciting 2010 season!

Cheers, Michael "Chilli" Johnson President, Bengals/Dukes Football "Football for the Kids!" Pride - Respect - Team
